Purchased from A-Tech Cycle in 1996 by Tim Schultz from Doug Smith current Owner of Competition Cycle, 2209 West 3rd Street, Sioux Falls, SD 57104 ó Phone: 605-977-1035

This Triumph has been well maintained by the only Owner, Tim Schulz, for the 23 years he has had it. Doug Smith has been the only mechanic do any maintenance, tune up, repairs and other minor work on it over the years. This Sprint has 48,000 miles on it and has been ridden from coast to coast twice, Daytona Beach and countless trips to riding in the Black Hills of SD.

This motorcycle has been mechanically bulletproof and has had no major work done to it over the years and it runs as good today as it did when it came off the factory assembly floor. It's a must see in person motorcycle to really appreciate the condition and the care taken to preserve its overall appearance and mechanical operation and performance.
